YOUR PRINTING !

CONSIDERING the fact that a man's stationery gives a prospective customer an idea of his business, one should be extra careful to have his printing done in a neat and attractive manner, which denotes that his business methods are conducted with the same precision throughout. If your letter-head is a clumsy, ill set affair, it carries with it, the idea that your workmanship is the same whether it is or not.

The Alpine Press (meaning top notch work) are fully equipped to do catalogue, book, commercial or job work at very reasonable prices.

We are centrally located at **32 Oliver Street** where we will be very glad to show you our plant and figure on any work requiring first class workmanship.
